HERON[™] HD3430

OIDOJATAC

PERFORMANCE WITHOUT COMPROMISE

The Heron HD3430 2D area imager brings unmatched elegance along with the latest advanced 2D reading technology to the modern point-of-sale. The stylish silhouette of the new 2D area imager enriched with multiple color changing lights, innovative and modern design material, together with the audio speaker, amplifies the customer's brand experience at the point-of-sale.

NOW WITH 2D AND IMAGE CAPTURE

The Heron HD3430 2D area imager provides outstanding reading performance on 1D and 2D codes as well as image capture capabilities. Featuring the market's most efficient aiming and illumination systems, the Heron HD3430 2D area imager guarantees the operator's best suitability combined with an outstanding all-codes reading capability.

BEAUTY AND BRAND IDENTITY

The Heron HD3430 2D area imager differs from the usual color scheme of handheld devices by providing a stunning 'black' or 'white' color option, emphasizing the curving lines of the new enclosure. Additionally, the Heron imager features in-mold decorated top covers with a choice of 'Carbon Fiber' or 'Silver' design. This imager also offers opportunities to incorporate a company brand identity by allowing customers to compose the perfect blend: combining a company logo with the top cover color with customized visual and audio feedback in order to reinforce the value of the customer's brand.

The HD3430 2D area imager is a fusion of the features your business needs, the fashionable style customers will love, the enticing allure of light and sound now with a full 2D reading capability.

FEATURES

그는 것 같이

- Outstanding reading performance on 1D, 2D, postal codes, stacked and composite codes
- Innovative and unique design raises the bar for a cutting-edge POS checkout experience
