

Accessori di installazione per tutti i sensori ultrasonici

Installation accessories for all ultrasonic sensors

Caratteristiche principali Main features

- > Staffe per il montaggio
Mounting brackets
- > Supporti orientabili per un allineamento facilitato
Swing mount brackets for an easy alignment
- > Adattatori deviaraggio
Right angle beam adapter
- > Deviaraggi focalizzatori
Focusing beam deflector brackets

Modelli disponibili - Available models

- > Accessori utilizzabili con i sensori ultrasonici M18
Accessories suitable for M18 ultrasonic sensors

Modello <i>Model</i>	Descrizione <i>Description</i>
ST 02	Supporto plastico orientabile / <i>Plastic swing bracket</i>
ST 18-A	Staffa metallica di fissaggio assiale / <i>Metal axial mount bracket</i>
ST 18-A7W	Staffa di fissaggio assiale in acciaio inox AISI316L (DIN 1.4404) / <i>Stainless steel AISI316L (DIN 1.4404) axial mount bracket</i>
ST 18-C	Staffa metallica di fissaggio radiale / <i>Metal right angle mount bracket</i>
ST 18-C7W	Staffa di fissaggio radiale in acciaio inox AISI316L (DIN 1.4404) / <i>Stainless steel AISI316L (DIN 1.4404) right angle mount bracket</i>
STC-18	Staffa di fissaggio per asta cilindrica $\varnothing 12 \div 20$ mm / <i>Mounting bracket for cylindrical rod $\varnothing 12 \div 20$ mm</i>
ST 18-D-U	Staffa deviaraggio / <i>Beam deflector bracket</i>
ST 18-D-F-U	Staffa deviaraggio focalizzatrice / <i>Focusing beam deflector bracket</i>
ST 03-U	Deviaraggio plastico / <i>Plastic beam deflector</i>

- > Accessori utilizzabili con i sensori ultrasonici M30
Accessories suitable for M30 ultrasonic sensors

Modello <i>Model</i>	Descrizione <i>Description</i>
ST 13	Supporto metallico orientabile con fori filettati / <i>Metal swing bracket with threaded holes</i>
ST 14	Supporto metallico orientabile con viti / <i>Metal swing bracket with screws</i>
ST 30-A	Staffa metallica di fissaggio assiale / <i>Metal axial mount bracket</i>
ST 30-C	Staffa metallica di fissaggio radiale / <i>Metal right angle mount bracket</i>
ST 30-D-U	Staffa deviaraggio / <i>Beam deflector bracket</i>
ST 30-D-F-U	Staffa deviaraggio focalizzatrice / <i>Focusing beam deflector bracket</i>
ST 55-U	Deviaraggio plastico / <i>Plastic beam deflector</i>

- > Accessori utilizzabili con i sensori ultrasonici M18
Accessories suitable for M18 ultrasonic sensors

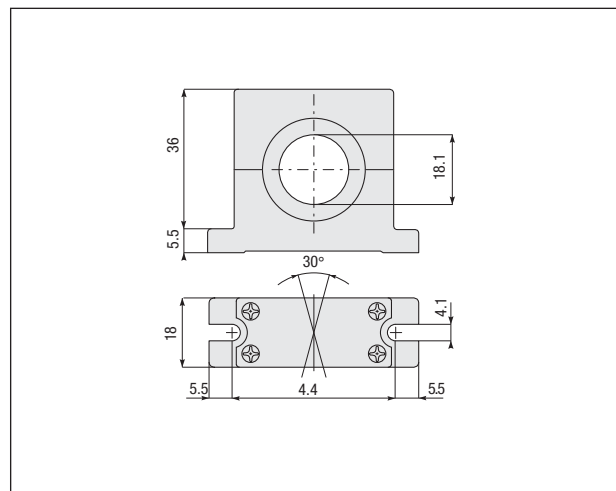

ST 02

Supporto plastico orientabile per sensori ultrasonici M18

Fissaggio con viti M

Plastic swing bracket for M18 ultrasonic sensors

Mounting with M4 screws

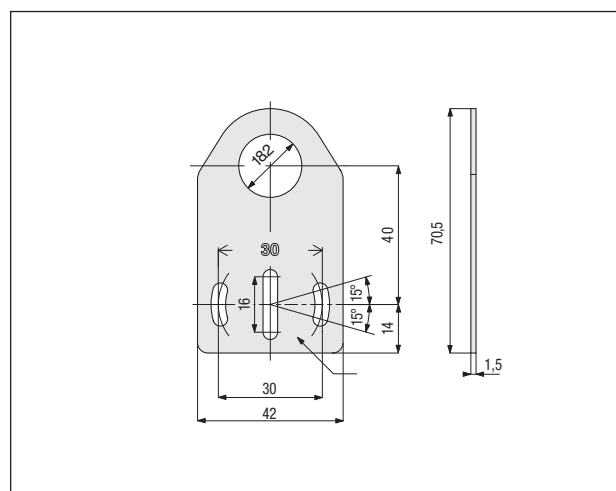

ST 18-A

Staffa metallica di fissaggio assiale per sensori ultrasonici M18

Fissaggio con viti M4

Metal axial mount bracket for M18 ultrasonic sensors

Mounting with M4 screws

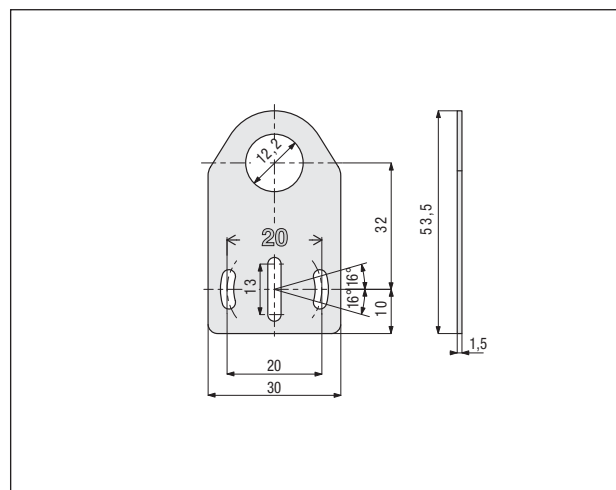

ST 18-A7W

Staffa di fissaggio assiale in acciaio inox AISI316L (DIN 1.4404) per sensori ultrasonici M18

Fissaggio con viti M4

Stainless steel AISI316L (DIN 1.4404) axial mount bracket for M18 ultrasonic sensors

Mounting with M4 screws

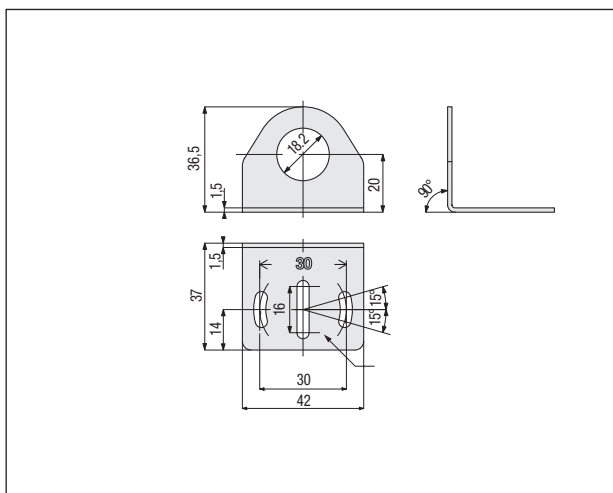

ST 18-C

Staffa metallica di fissaggio radiale per sensori ultrasonici M18

Fissaggio con viti M4

Metal right angle mount bracket for M18 ultrasonic sensors

Mounting with M4 screws

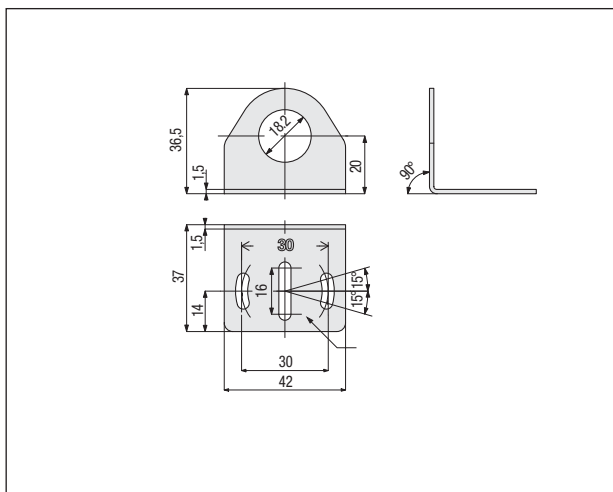

ST 18-C7W

Staffa di fissaggio radiale in acciaio inox AISI316L (DIN1.4404) per sensori ultrasonici M18

Fissaggio con viti M4

Stainless steel AISI316L (DIN 1.4404) right angle mount bracket for M18 ultrasonic sensors

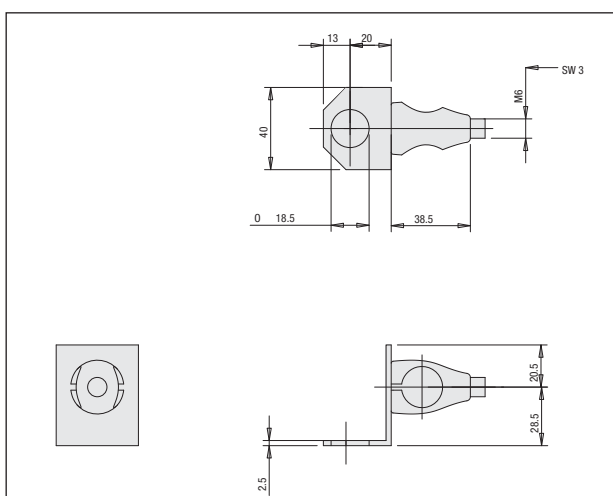

Mounting with M4 screws

STC-18

Staffa di fissaggio per sensori ultrasonici M18

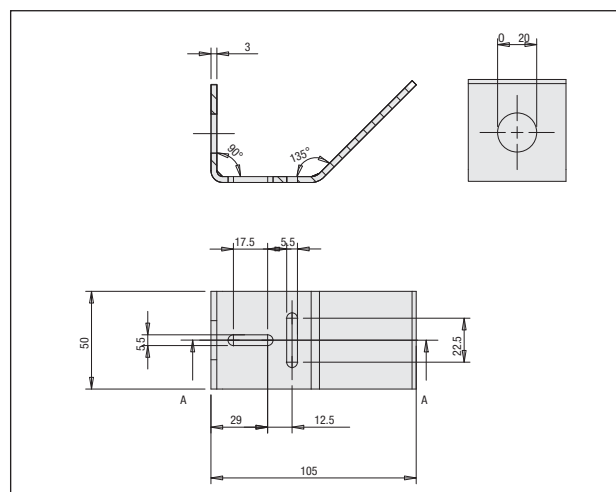

Mounting bracket for M18 ultrasonic sensors

ST 18-D-U

Staffa deviaraggio per sensori ultrasonici M18

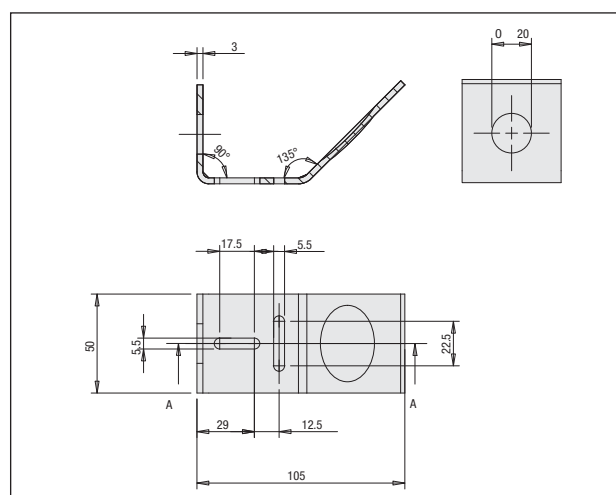

Beam deflector bracket for M18 ultrasonic sensors

ST 18-D-F-U

Staffa deviaraggio focalizzatrice per sensori ultrasonici M18

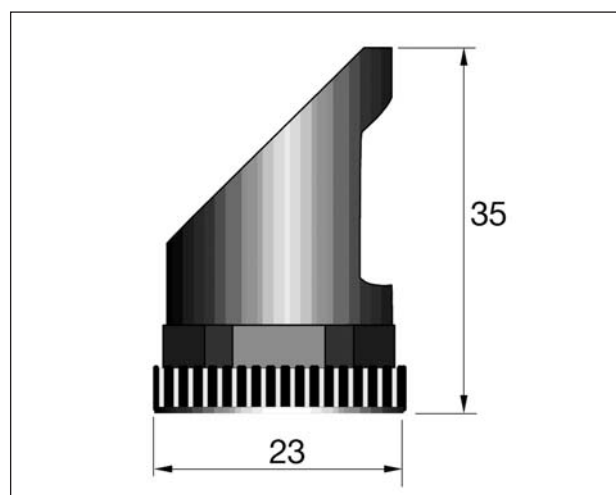

Focusing beam deflector bracket for M18 ultrasonic sensors

ST 03-U

Deviaraggio plastico per sensori ultrasonici M18

Plastic M18 ultrasonic sensors beam deflector

- > Accessori utilizzabili con i sensori ultrasonici M30
Accessories suitable for M30 ultrasonic sensors

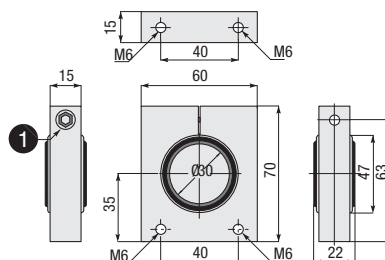

ST 13

Supporto plastico orientabile per sensori ultrasonici M30

Fissaggio con viti M6 da sotto o a parete

Metal swing bracket with threaded holes for M30 ultrasonic sensors

Mounting with M6 screws from beneath the surface or through the wall

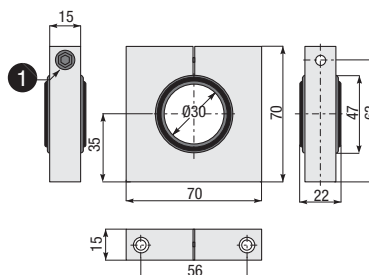

ST 14

Supporto metallico orientabile per sensori ultrasonici M30

Fissaggio con viti M6 da sopra

Metal swing bracket with threaded holes for M30 ultrasonic sensors

Mounting with M6 screws from upper side

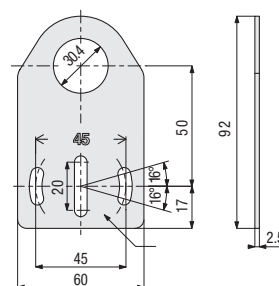

ST 30-A

Staffa metallica di fissaggio assiale per sensori ultrasonici M30

Fissaggio con due viti M5

Metal axial mount bracket for M30 ultrasonic sensors

Mounting with two M5 screws

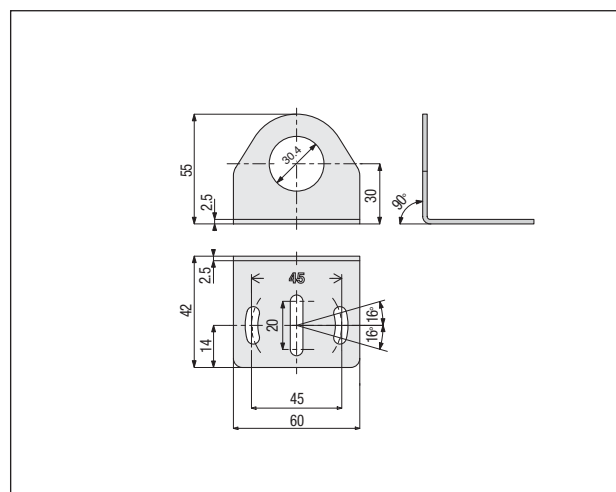

ST 30-C

Staffa metallica di fissaggio radiale per sensori ultrasonici M30

Fissaggio con due viti M5

Metal right angle mount bracket for M30 ultrasonic sensors

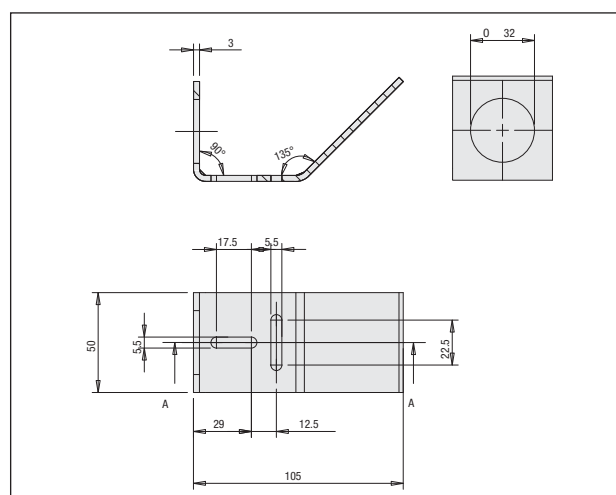

Mounting with M5 screws

ST 30-D-U

Staffa deviaraggio per sensori ultrasonici M30

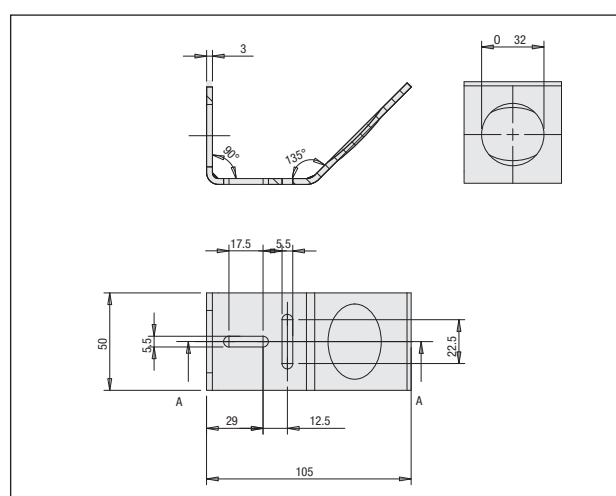

Beam deflector bracket for M30 ultrasonic sensors

ST 30-D-F-U

Staffa deviaraggio focalizzatrice per sensori ultrasonici M30

Focusing beam deflector bracket for M30 ultrasonic sensors

ST 55-U

Deviaraggio plastico per sensori ultrasonici M30

Plastic M30 ultrasonic sensors beam deflector
